

Criterion F: Feedback from client

	Question	Y/N	Comments
1	Are you pleased with the final product?	Yes	<i>Yes, the final product is exactly what was specified.</i>
2	What are the strengths of the application?	--	<i>The application enables users to see upcoming dates, twitter feeds and contact information. It has more than just a single facet.</i>
3	What areas of the application need more development?	--	<i>The loading of the calendar is a bit slow. It would be nice to improve the speed of the app.</i>
4	How beneficial do you think the application will be to the club?	--	<i>It will be very beneficial. Members of the club can easily have current information at their fingertips.</i>
5	Was the product completed on time?	Yes	<i>Yes, the product was completed as scheduled.</i>
6	Have the specific performance criteria been met?		
	a) To provide an easy channel of communication for members	Yes	<i>Members will be able to communicate through electronic means with leadership team and advisors. Overall, member involvement will be increased.</i>
	b) To reduce the amount of queries towards officers and advisors	Yes	
	c) To improve member involvement	Yes	
7	Would you use my services again in the future?	Yes	<i>Definitely. The product is very well done.</i>
